### To the class of 1985

Congratulations on the completion of your academic requirements here at Bulkeley High School. You, The Class of 1985, have made many contributions both academically and socially to the school, community and your families.

Now that you are leaving school for your various endeavors, I would like you to know how great it was to work with you the past four years. You should be proud of yourselves and your school as you have done well. The many projects and acts that you have taken part in to benefit the school and your fellow students are appreciated.

I wish you sincere best wishes for whatever your future holds and hope that you will find time to share your experiences with the underclassmen.

# The Senior Class Dedicates This 1985 Yearbook To . . .

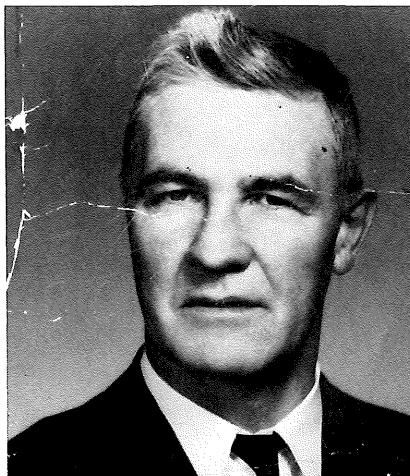

. . . Alan B. Mooney with both joy and sorrow. Joy for having had the opportunity to work with a teacher who's unparalleled dedication to the student left us not only with a deep understanding of history, but a warm memory of a caring instructor . . . And sorrow, in knowing that he will retire this year, and other students will not have the opportunity to benefit from Mr. Mooney's 41 years of teaching experience.

Our class will always have deep gratitude for Mr. Mooney's outstanding dedication to the teaching profession.

# A BOND YOU CAN TAKE STOCK IN

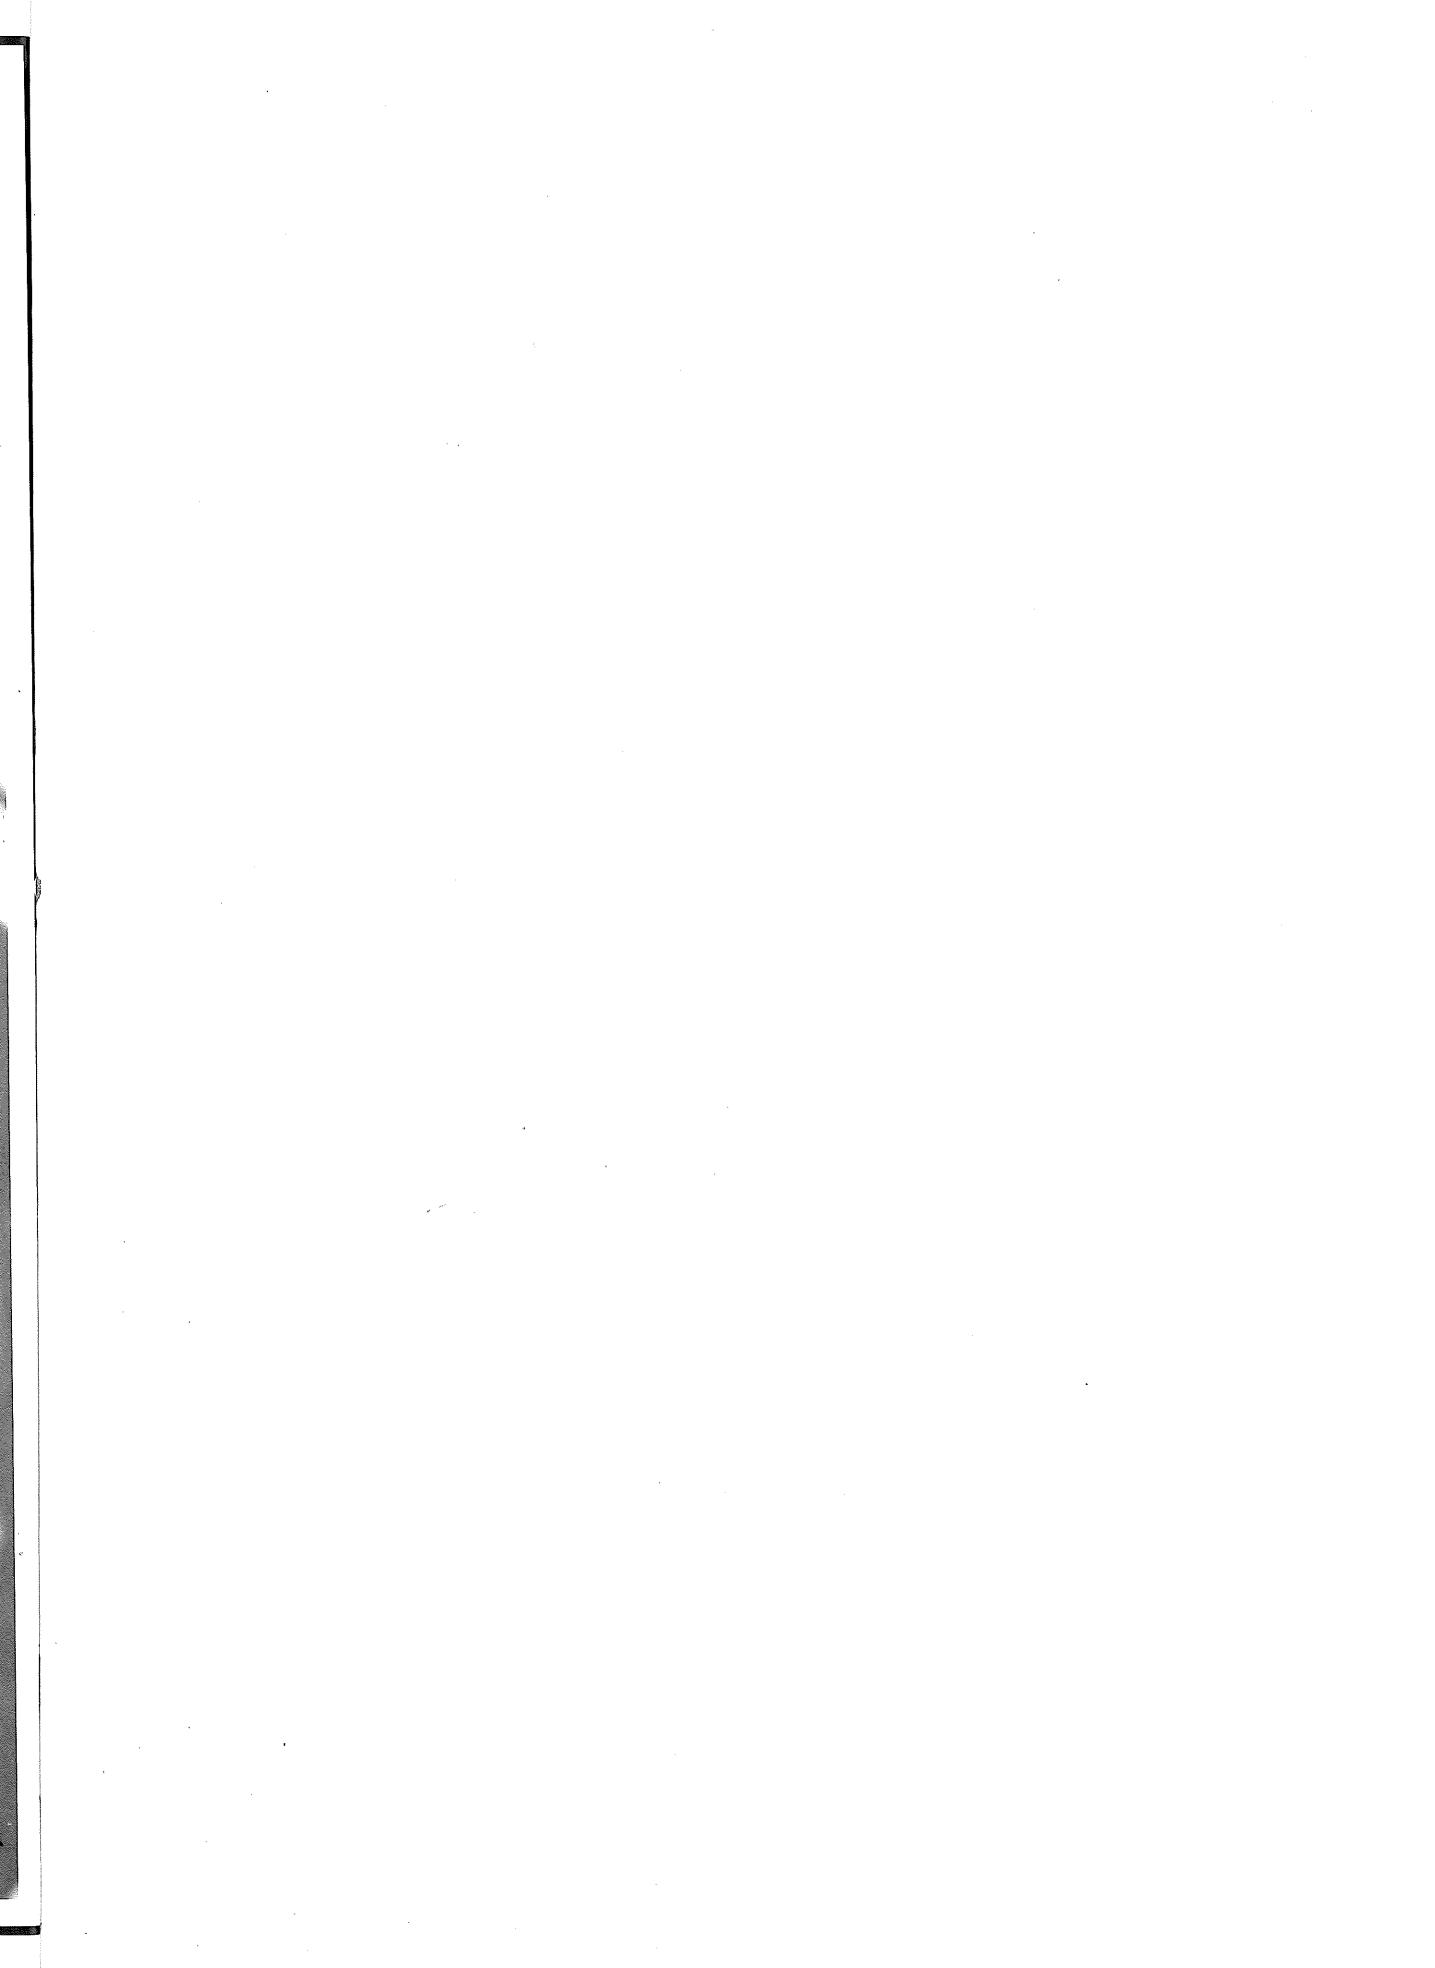

**The Bulkeley/Travelers Alliance.**

Formed in 1972, it's a bond that continues to grow stronger. And continues to pay dividends. In career exploration. Academic reinforcement. Recreational and athletic development. And an expanded learning environment.

The Travelers is proud of its partnership with Bulkeley High School. First, because it helps develop the kind of qualities we, as a company, like to see. Especially on a resume. But more importantly, because it allows us to make an investment in something of infinite value. Your future.
